Premium Quality for Your Feline Family

Welcome to Kitty Care - where every whisker, purr, and leap is celebrated with unmatched quality. Our central European heritage drives us to create products that nurture the bond between cats and their human companions. Kitty Care is synonymous with uncompromising quality, and we take pride in our extra-premium range sourced from our very own quarries and farms, processed in-house or at specialized premium facilities.

"Caring for those who care" isn't just our slogan; it's our promise. We know that your cat is not just a pet but a cherished member of your family.

That's why we meticulously craft each product to enhance the comfort and joy of both cats and the people who love them.

Unwavering Quality and Care

At Kitty Care, we understand that your feline companion is more than just a pet; they're an integral part of your family. That's why our range of premium ZUII cat foods and Comfort Life litters are designed with an unwavering commitment to quality. With Kitty Care, you're not just purchasing a product; you're investing in your cat's health and happiness.

Tailored Nutrition and Hygiene Solutions

Every cat is unique, and their needs change with age and lifestyle. Our ZUII food lineup, featuring specific formulas for neutered cats, adults, and kittens, ensures that each cat receives the tailored nutrition it deserves. Likewise, our Comfort Life litters are engineered for performance, offering superior odor control and easy maintenance.

Lifestyle Enrichment for Cats and Owners

Beyond the essentials, Kitty Care believes in celebrating the joy of cat ownership. Our accessories, from elegant dining ware for your cat to cozy slippers for you, enrich the lifestyle of every cat lover. These products reflect the joyous spirit of our brand—fun, comfort, and style all wrapped in one. With Kitty Care, every moment with your cat becomes a memory to cherish.

Unparalleled Hygiene

Comfort life PREMIUM NATURAL CAT LITTER

KittyCare is an entirely new brand for top quality cat litter and prime products for cat hygiene. These products are the result of several years' experience in the field of animal litters and cat hygiene, developed in co-operation with vets. We bring you products which are practical for pet owners, ensuring convenience and healthy cats.

Ecology of products is increasingly important. All the more for us. We feel obliged to return something to nature, and as a result all our products are environmentally friendly. Our litters are from 100% natural bentonite, without chemical admixtures, and as such are kind to the environment.

The Comfort Life product range brings an **innovative and entirely new approach** to the field of care for cats. This makes KittyCare a unique brand with enormous marketing potential with your customers.

Quick & Clean Cat Litter

- **Fine, ultra-absorbent and quickly clumping litter**

This ultra-absorbent, quickly clumping litter is perfect for busy cat owners and choosy cats. It forms solid clumps that absorb urine and control odors instantly, allowing for easy removal. Its superior odor-sealing and absorption reduce litter use, making it cost-effective and ideal for breeders. The litter features fine granules favored by demanding customers for their cats' comfort.

Litter with a volume of 6 l (appr. 5.5 kg) can handle a heavy load. It locks in all odours and is perfectly dust-free.

Full house Cat Litter

- **Ultra-absorbent litter with large granules**

Ideal for homes with multiple cats, this ultra-absorbent litter features large granules that prevent dust and tracking, making clean-up easier. It's excellent for breeders and busy pet owners, keeping paws clean and houses tidy. The golden-white color is perfect for long-haired and light-colored cats, preventing stains and favored by show cat owners.

Perfect for the sensitive paws of princess cats. It is also completely dust-free and forms really firm clumps. The litter box is easy to clean and everyone is happy.

Are you a retail chain or internet shop?

Beside the KittyCare brand we can also offer you a quality litter **for your private label!** We can produce a wide range of litters for you according to your quality and price requirements. On the basis of

an analysis of your market we can design an ideal product range. We are a direct manufacturer with a strong background and ideal logistical position in the heart of Europe. What does this mean for you? We provide

you with **full service** and offer the best prices. Our production capacity is **over 100 000 tons of litter per year**, so we can provide you with the amount of litter you require, always with a guarantee of constant quality.

Zuui

Food Fit for Feline Royalty

Zuui Beef Muscle with Cartilage
